The Way We Are

Tena koutou katoa. Nga mihi nui kia koutou.

Winter has really settled in with these cold mornings and we have had quite a few children away with sicknesses. With this I have noticed the amount of time Mrs Maree is spending on ringing parents to check on absences. This is done for two reasons, 1 we have an electronic system where we have to record a child's absence as well the reason; 2 checking and recording absences means that students have arrived at school safely.

A number of parents are using the absence facility on our website, which is great. The opportunity to send through your absences using the school app through 'School Loop' is also an option now. It is very simple to download; instructions are in this newsletter. So if your child is going to be away please contact the school. Thank you.

Reminder: Photo orders are due in tomorrow, this includes the money. School photos are on Wednesday and children will be expected to wear their full uniform.

School Building: The second phase of our building project will be happening soon. This means the front entrance to our school will be blocked off. Entry to the office will be through the library. The front of the school will be transformed, The deck is being removed and replaced by stairs. We are hoping to have the junior school in their new classroom at the start of next term. Once both projects have been completed, we will have a blessing for both areas. It is all very exciting.

Catholic School Intermediate Winter Sports Tournament: We wish our Years 7 & 8 students well as they represent our school in hockey and football.

God Bless
Jane Rutherford

Your St Pius X School Account will be coming home with your child today. If you don't receive an account, that means you don't need to take any further action (as your account is paid).

Your account can be paid at the school office by cash, eftpos or you can pay online:

ASB Account: 12-3152-0175049-01. There will be a Customer Number in the top left hand corner of your account, so if you pay online, please quote this Customer Number. If you wish to discuss your account, please call the office and we will assist you with any queries you may have.

Thank you in advance for your payment.
