The Way We Are

Yay! We are in our new classroom!!!

Tena koutou katoa. Nga mihi nui kia koutou.

As you can see from the pictures, we are delighted to be in our new room. I want to take this opportunity to thank Urai and Tracey Vanxay and Pam Horsman for being extremely adaptable and positive about working in the hall. The children were amazing and adapted well to working in an open space. Thank you also to parents for your support and being positive. All this contributed to it being a good learning time for everyone. The reward at the end of all this is an amazing, teaching space.

I believe it is appropriate to mention here, that the fees you pay each year to the Catholic Education office, enables us, and other Catholic schools to have excellent teaching and learning facilities.

Reminder: Monday the 19th August the school will be closed as all staff will be attending a professional development day off site.

On the 25th of August our school is responsible for the Parish Mass. It is also the day we celebrate the Feast Day of St Pius X with the parish. If you want your child to be involved in the liturgy, please contact the school. In the past we have encouraged children to wear their cultural costumes, so if you wish to do that we would be delighted. We also need help with morning tea, not just to bring a plate but also help set up, again if you can help please contact the office. Let's make this a memorable occasion for our school and parish.

God Bless
