The Way We Are

Tena koutou katoa. Nga mihi nui kia koutou.

Invitation: You will see below an invitation to our Grandparents assembly. We are extending this by starting at 1:30pm with the blessing of our new junior classroom and front entrance. You are all welcome to join us for this occasion.

Congratulations to Carol Pradeep, our Altrusa recipient this year. Carol was acknowledged for the leadership she has taken this year, particularly as leader of the Student Council.

Thank you for those of you who attended our annual quiz night, another very successful occasion. Thank you to the 'Friends of the School' for gathering an amazing collection of prizes and to our wonderful sponsors, and to you for your donations of grocery items. Names of our sponsors will go on our Facebook to acknowledge their generosity. There is a meeting for the 'Friends of the School' this Tuesday, 7:30pm in the staffroom. All welcome.

God Bless
Jane Rutherford

To our wonderful sponsors, our families and friends who attended and supported this event and to the staff who worked tirelessly to ensure this Quiz Night ran smoothly.

We don't have a final figure yet, but it looks like we made close to \$2500.00 which greatly reduces camp fees for our senior classes.

Thank you.....

St Pius Creative Day— Wednesday 6th November 2019

Whole school creative morning. There are three categories No. 1. Floral arrangement, No. 2. Iced biscuit or cake decorating or No. 3. Fruit and/or vegetable creation. Each child is only required to enter least one of the above categories or if they are feeling super creative, they can enter more than one. Biscuits or cakes can be decorated at home and brought into school. All the decorating of these edible items must be completed by your child without parent involvement. Families that aren't great at baking can still enter this category by using plain bought biscuits and decorating them with icing. The floral arrangement must be created and constructed at school in the morning. Fruit/vegetable and iced biscuits must be done at home and brought to school in the morning. We look forward to seeing the many creative and imaginative displays made by your talented children!

Last night the BOT had their regular monthly meeting. Here is a short summary of the decisions they made on your behalf.

- Reviewed and rolled over the policies for Protected Disclosure and Property.
- Received a report from the DP about the Science curriculum.
- Discussed the arrangements for the new building blessing, new appointments, 2020 term dates, 2020 teacher only days and the new waste management contract.
- Received information about the Years 10-6 outdoor education programme for 2019.
- Received and approved the RAMS forms for the Years 1-6 outdoor education programme.
