### Principal's Message

#### Tena Koutou Katoa

Thank you to those who contributed and attended the quiz night, it was a great success with over \$3000 raised for camp and our outdoor education week. A huge thank you to Mr Easto for organising the event as well as being an excellent quiz master. To the teachers for helping out on the night and to the 'Friends of the School' who went out and about and got donations from businesses. The second page of this newsletter has the names of the businesses that donated goods for the quiz and we are very grateful for their generosity and also Mrs Maree for being the cashier on the night and counting and banking all the money.

It is through these fundraising activities such as raffles, chocolates and pizzas that enable our trips to go ahead at a reasonable cost to families. So thank you for your support.
