To Learn Wisdom  
The Way We Are

## Deputy Principal's Message

Tena Koutou Katoa,

This week we celebrated the value of goodness and since the last newsletter we have been witness to lots of goodness happening in our school.

We held our school Creative Day last Friday. We have a lot of talent at our school and our judges had a hard time judging all the Creative Day creations. The participation and standard was extremely high. Thank you to Friends of the School and our BoT for rallying around our school community on this day also, providing kai (food) and kōrero (conversation) so that we could gather voice on what St Pius would like to see in our new Principal. We built a great profile and had a good turnout of families.

Thank you to everyone who turned up to help us celebrate our school feast day last Sunday especially our readers, singers, musicians and technology people.

Tomorrow the 25th August our school cultural group will be performing at the Te Hui Ahurea at Sacred Heart. Most of the Hamilton Catholic schools will be presenting. If you want to come and watch our school they will be performing at approximately 11:40am. Make sure you give yourself time to find a park.

Ma te Atua e manaaki

The good you do today may be forgotten tomorrow. Do good anyway. Give the world the best you have and it may never be enough. Give your best anyway. For you see, in the end, it is between you and God. It was never between you and them anyway.
