Deputy Principal's Message

Tena Koutou Katoa,

Week 7 and we look forward to the first day of spring tomorrow. Having sun three days in a row has lifted our spirits.

Next week we will have a reviewer from ERO with us for two to three days. She will be looking at our systems and how well our students are doing. She may want to speak to some of you so if you are approached by someone in the carpark, her name is Lee Marchioni and she will be wearing a badge with her name on it.

Raffle: we were donated an amazing Sony sound bar towards raising funds for camp last year. Through the 'Friends of the School' we are raffling it this term. Tickets are going out today, so please check your child's bag. You can see the prize at our Fathers' Day assembly tomorrow. We are looking forward to seeing lots of Dads there. The ticket sheet **must** be returned to the office with money. Even if you only sell a couple, or none, **please return the sheet.**

How amazing are our support staff they passed their BSLA (structured literacy) paper through Canterbury University. I am so grateful that we have an amazing group of people willing to carry on their learning journey. Our students and teachers are blessed.
